

# "borders of the soul"

26-11-2000

When somebody doesn't know

the borders of the soul

where does the person have to go

to find something about the inner self

what makes it so difficult

not to know how to live this life

I wish I knew

what to do

or to say

but I don't

I don't even know my own way

don't know which choices to make

should I stay or go

shall I ever be me

where will I find myself

where do I have to go
