

# "choices"

17-2-05?

Sometimes feelings are hard  
especially when they could not be  
How do I tell a person  
that is close to me?

I don't know what to do  
Should I destroy things  
or should I go through?

Sometimes choices are not easy  
they are so final  
and you can't turn back  
the choice you made

It also forces people  
to face the consequence of their mistakes  
Mistakes caused by wrong decisions  
that can not turn back time.....
