

"15 years"

26-8-2006

We're both 15 years away from then
and nothing hasn't really changed
for both of us time has been tumultuous
and made it's scars inside of us
still it feels as good like it did before
I wonder how things would have been
if we both had spoken out
I said to you, that it probably
would have gone wrong
because of my past during that time
I was surprised you knew things weren't right
during the time that we've met so lang ago
your face has really changed
it shows the damage inside of you
it frightened me
because i didn't recognize you
you look so much older than you really are
your face is so skinny now
I'm not used to see you this way
I hope you'll be allright again
and from now on not to be
out of each others sight anymore
